REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee met on December 2 at Worcester Polytechnic Institute from 10:00 to 1:00. Among the agenda items were reports on the treasury, dues, membership, election, book award, media awards, and program organization. Any member may submit an agenda item for the next meeting by writing to Executive Secretary James Hanlan.

At the April 20 business meeting, the Executive Committee will introduce the following motion. "The Executive Committee moves that dues for full NEHA membership be increased from $10 to $15 per year effective with 1997 dues. Dues for part-time, emeritus, graduate student, and independent scholar members will remain $5 per year."

Rationale: NEHA dues today remain at the same rate established when the Association was founded 30 years ago. NEHA has absorbed every increase in postage, printing and paper. These expenses constitute most of the Association costs. In anticipation of higher future costs, increasing dues now seems prudent. The Executive Committee, therefore recommends to the membership this increase in dues.

NEHA BOOK AWARD COMMITTEE

The NEHA Book Award is presented annually for the best book in any area of history published by a scholar living and/or working in New England. This year the Book Award Committee members are: Paul Quinlan (Providence College), chair; and Howard Wach (Clarkson University); Douglas Little (Clark University); John Sutherland (Manchester Community College); and Joanne Schneider (Rhode Island College).

A publisher may nominate a book from October 1995 to June 1996. Nominations and a copy of the book should be sent to each committee member by June 1, 1996. The publisher may nominate only one book published in the preceding year. The $200.00 cash prize and award certificate are presented to the author at the Fall conference each year.

**AT THE SESSIONS**

The October 1995 meeting at Saint Anselm College was very well-attended, 109 historians registered for the conference and 95 members attended the luncheon. We believe the fine program and high attendance once again demonstrated our Association’s continued growth and popularity with our more than 700 members.

This 55th meeting of the Association featured 30 papers in 12 sessions, as well as six topical workshops. Much credit for this splendid meeting is due to Vice President Roland Sarti and the Saint Anselm College local arrangements committee: Francis Mason and James Cassidy. They, and Executive Secretary James P. Hanlan, deserve our thanks for a splendid and most enjoyable conference of superior quality.

The meeting took place without a hitch or flaw despite the inclement weather. Traditional Benedictine hospitality and concern for history by the Saint Anselm College faculty and staff made our 55th meeting quite memorable.

CHECK YOUR MAILING LABEL!

Please note a change on your NEHA News mailing label. Check the address label for your membership expiration date. The lower right corner (in most cases) will indicate the date your next dues should be paid. For example, if it reads “ex96”, your dues are paid through 1996. Your 1996 dues may be paid at anytime, but most members include annual dues with their Fall or Spring conference registration payment.

Annual dues (calendar year) are $10, or $5 for part time or emeritus faculty, and graduate students. Life membership for individuals or institutions is $150. The Association Fund assists in supporting the work of this organization. Payments for membership dues and contributions to the Association Fund are tax-deductible (to the extent permitted by law).

We do NOT issue bills. The names of members/subscribers who have not paid dues for the past year are deleted eventually from the mailing list. Any overpayment is credited to the following year. Please mail your dues payment by check (in US funds only) to the Association office at Worcester Polytechnic Institute. Make checks payable to NEHA.

THE PUBLIC HISTORIAN PRIZE

The Public Historian awards an annual prize for the best use and/or worst misuse of history in U.S. public policymaking. The winners are announced each year in the Spring issue of this journal.

The editors solicit nominations from all historians who have been struck by the wisdom, or the foolishness, of history—uses to justify, explain, or formulate public policy at any level of American government. Please send documentation illuminating the policy setting and the use of history in a given situation. Contact Otis L. Graham, Jr., Editor, The Public Historian, University of California, Santa Barbara, CA 93106.

ARE YOU MOVING?

Please inform the NEHA office if you are moving so your membership and mail may continue without interruption. Mail both your old and new addresses (printed or typed) to Executive Secretary James P. Hanlan. Allow four weeks for the change to take effect.

Edward George Hartmann, professor emeritus of history at Suffolk University, died suddenly on October 26 while visiting Wiltse-Barre, Pennsylvania, in American immigration history, especially his German and Welsh forebears. He earned his bachelor and master degrees at Bucknell University and his doctorate at Columbia University, served in the Army Air Corps in World War II and for many years after in the Army Reserve as a colonel. Hartmann contributed mightily as a teacher, scholar and mentor to countless students, either in classes or in his many roles as a member of the academic community, and his reputation as a demanding and strict grade was well known throughout the university's schools. Professor Hartmann was known for his careful and astute scholarship, and his range of volume quality and chaste modesty—we'll always remember his grading scale. As F. Roger G. T. F., he and the conceded him the author of the Movement to America, the Immigrant (1984); Americans from Europe to America (1985); and A Classified Bibliography of the History of the People of the United States (1987). He received the National Antiquarian Society of Philadelphia gold medal for his contributions to ethnic history.

Despite his heavy teaching schedule, Ed Hartmann remained an engaged and productive scholar, and he was loved by his students and colleagues alike. His passing is a loss to those who knew him and to the history community as a whole. More than a few of his former students discovered his dynamic early morning classes, yet it was his quiet passion and love for history that initially drew his dynamic early morning class was a kindred spirit and an inspiration to all who had the privilege of knowing him.
